Academic excellence is at the heart of what d'Overbroecks aims to achieve.

We aim to provide a broad education that will stretch and develop the whole person. And we aim to ensure that our teaching is 'finely tuned to the specific requirements of individuals'. We believe in flexibility and in the power of laughter and humanity, and we believe that students who are happy and at ease in their school environment, who are working with in league with a team of highly gifted, committed and enthusiastic teachers, are going to achieve and grow to their full potential, academically and personally – and that they are going to develop skills, attitudes and aptitudes that will stand them in very good stead in later life.

KEY FACTS

27th in the Times league table in 2018

Ranked 99th in the Top independent schools in the UK by The Telegraph

D'Overbroeck's Oxbridge Program: All students applying to Oxford or Cambridge are put on a full programme of support, assigned a personal tutor – a subject expert who monitors a personalised programme of study beyond A Levels. Students are also given extensive mock interview practice and can attend open days

Medical, Veterinary and Engineering programmes: Prospective medicine students are helped to organise their work experience for the year. The medic group meets regularly to make sure students are on track with their preparation

Friendship Ambassador Awards set up in 2017 to celebrate the achievements of students from around the world

The Good Schools Guide describes d'Overbroeck's Sixth Form as quite possibly the leading independent sixth form in the UK.
