cliftonlodeschool.co.uk

At Clifton-Lodge, we pride ourselves on offering our pupils the very best start in life.

As a specialist prep school, we are able to provide an all-round education of the highest quality that challenges and engages our children. Our aim is to inspire, to encourage a spirit of enquiry and exploration and to provide an exciting, stimulating and safe environment in which to learn. We are a happy school with a strong community and family values. We are a specialist prep school with a wonderful Nursery. Our highly qualified and dedicated staff, together with small class sizes, make the most of every learning opportunity. Children are encouraged to develop a respect for others, combined with building their confidence and independence. We focus on creating a joy for learning which enhances their progress and achievement as they continue through

the school. We provide excellent 11+ preparation, with specialist teachers, to attain places at the best independent and Grammar senior schools. With a strong focus on the core subjects: we concentrate on building a strong phonic base in the early years on which we build reading and writing skills. Mathematics is introduced in a practical way, with the emphasis on building a broad skills base. Our personalised learning approach means that children are often working well above expected levels for their age. At Clifton Lodge, we have a strong emphasis on pastoral care. Our culture of respect and kindness means we are a successful, thriving and happy school. Every day in our school, we learn about making good friends, sensible choices, staying safe, manners and being kind to others.
