The Maynard school for girls is the 2nd oldest girl's school in the UK.

An academically selective school, our students achieve outstanding examination results year-on-year and we are currently the leading independent day school for girls in the South West. Our outstanding pastoral care and our team of dedicated, talented teachers mean that we can help each student to develop in her own way. Enjoyment of school is paramount, as happy students achieve great things both in and out of the classroom. The school strives to balance the development of sports and other extra-curricular activities.

It provides a variety of facilities, including a dark room for photography, and a refurbished fighting instruction hall. The "Good Schools Guide" summarizes the school as "prominent academic achievement without losing the friendly atmosphere." With its first-class educational achievements, Maynard Girls' School has consistently ranked among the top schools in the UK and is recognized as one of the best schools in England. After graduating from Maynard, the girls got not only impressive academic achievements, but also extraordinary self-confidence, resilience, independence, risk-taking, and enthusiasm for success.
