Established on a 37 1/2 acre site of a former well-known independent boarding school, Myddelton College is a contemporary co-educational school located on the outskirts of the historic market town on Denbigh in the heart of North Wales, which boasts hundreds of years of history as well as plenty of amenities and is surrounded by spectacular Welsh countryside.

Created with a vision of academic excellence, with British education values instilled, Myddelton College is the ideal place for your child to enjoy their education.

There is a fantastic family atmosphere at Myddelton College, our class sizes are small and the teacher to

pupil ratio generous, enabling our dedicated teachers to deliver tailored learning to pupils of all academic abilities and permitting each individual the opportunity to excel. Located at the foot of the famous Demby Castle in the 13th century, the school displays the perfect combination of historic buildings and modern facilities.

The school is located one hour away from Manchester and Liverpool airports, close to the British cultural heritage city of Chester (approximately 6 million visitors visit each year), and the Clwyd Valley and Snowdonia National Park. Snowdonia

National Park is Britain's most beautiful national park, surrounded by mountains, lakes, forests, canyons and bays.
