tauntonschool.co.uk

Taunton School is one of the earliest established full-time boarding schools in the UK.

We aim to challenge, inspire and nurture young people to succeed in a global community. The wellbeing of our pupils is at the heart of everything we do. We are focused on ensuring that we prepare young people for their lives beyond school and in a world that changes rapidly. Throughout their lives, our children will work closely with people from across the globe and must adapt to a world of ever-changing technology.

As an IB World School, we are innovative, forward-thinking, global in outlook and down-to-earth in approach. We are one school but each part is unique in character. We recognise that a balanced education is vital in developing the whole person. Taunton School has extensive experience in the education of international students. The school has set up an international department to provide one-year GCSE courses, Pre-IB courses and summer language courses. The goal is to

help overseas students adapt to the British education system faster.
