Tettenhall College is the ideal place to study for international pupils.

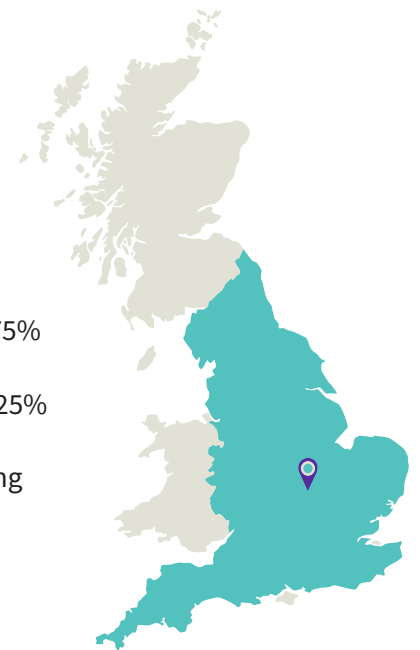

Located in a stunning setting in the picturesque and safe suburb of Tettenhall yet within easy reach of Birmingham and its airport. You will settle quickly as we are a small, friendly school but with a real emphasis on developing individual potential whatever the ability of the pupil. The passionate, caring staff will work hard to ensure that all international pupils gain the most out of their experience of studying in the UK and improve their English with small class sizes coupled with excellent pastoral care within the School and in the boarding houses.

We also believe in an education that develops the whole person with many opportunities to get involved in activities outside the classroom. We have a strong track record of getting pupils into top class universities and are also seeking to develop links with businesses and professions to enable our pupils to have adequate preparation for careers after school.
