Wellington is a busy school, with dedicated staff and excellent facilities.

We take the wellbeing of our pupils seriously with proactive pastoral care and a modern approach to physical and mental health. Co-curriculum plays a vital part in education and we seek to challenge and inspire our pupils through an extensive programme including a thriving Outdoor Education Department and Combined Cadet Force, alongside Music, Drama and a pioneering Sport, Performance and Wellbeing Department. There is also a long-standing academic tradition at Wellington leading to top grades and top universities, balanced by a desire to see pupils make progress and enjoy learning, not merely pass examinations.
